Your eligibility for university admission and visa approval will be evaluated based on the following key criteria:

- Financial requirements:** Applicants must demonstrate that they have sufficient funds to cover their tuition fees and living expenses in the country.
- Academic requirements:** Applicants must meet the academic qualifications required for the courses they are applying for.
- English language requirements:** Applicants must prove their proficiency in English, usually through recognized tests such as IELTS.
- Genuine student requirement:** Applicants must show a genuine intention to study in your country of choice and return to their home country after completing their studies.

We gather the above information to assess your eligibility to gain entry to an international education institution and the likelihood of being approved for a student visa.

## Things To Consider Before Applying for A Student Visa

1. Cost of living in the UK is **£10,224** and you need to have this amount in your bank account **28 days** before your CAS (**Confirmation of Acceptance for Studies**). funds must not go below this amount within that 28-day period.
2. You will need to pay IHS (**health insurance**) **£776 per year** for each year of your studies. So, if it is for a standard undergraduate degree, it will be **£2328** in total which is paid online by the applicant.
3. You will need to pay for your visa application fee to the UK government online which is **£524**.
4. You will need to have at least 1 year of your tuition fees in your bank account to prove you are capable of paying your fees.
5. You will need to do a TB test which is done through [www.gov.uk/tb-test-visa](http://www.gov.uk/tb-test-visa)
